I went to 1628 1st Street and observed most of the lights off as if everybody was in bed. I stood outside the door for some time and did not hear any crying/screaming or movement coming from inside. I knocked on the door a couple times, and it was eventually answered by Kevin.

I advised Kevin of the complaint, and he told me that Madeline was sleeping. I explained that somebody allegedly heard a child crying. He told me that Madeline has been suffering from an earache, but she hasn't been crying that loud about it. He said the pain is off and on, and she is feeling fine at the moment. Everything sounded quiet inside the house while we were speaking. I did not wake Madeline up to speak with her due to the late hour of the night.

I went to the station and called Julia. I told her that Madeline was sleeping and everything appeared fine at the Kramer residence. End//AS K9-1
